

Go West Young Woman

Last Sunday we made the 2 hour drive west to visit our friends in Yuma Colorado. You will remember a few weeks ago we had a team come to install a new floor in our living room. We wanted to come in person and say thank you so we did! Below is a photo of the girls singing to the congregation. They also signed a song and Pastor Taff preached. We give Freedom Fellowship of Yuma CO a big T.F.L.O.G. for sacrificially giving of themselves to Victory House. Victory House survives by the faithfulness of God and the generosity of His people. **Thanks For Loving Our Girls!**

(Below) The blustery Kansas wind reeked havoc on our new pool. When the spring thaw comes we will have to see if it can be repaired. We will need a team of people to help us. This summer we need to build the decking around the pool to help protect it. That is just one of many projects we need help with. If you have a team you could send our way call Pastor Taff at 785-821-2788. He would love to schedule you for a HELP US day.

stuff we need

February Need of the Month- Canned Potatoes

Building Supplies Needed We needed about \$3000.00 in building supplies to do some construction at the center and staff house. We have received \$2500.00 towards this need. Thanks you for those who are donating.

We need pastors to open their church's for us to come and visit. Pray for us to find favor in their eyes.

The Director's Corner

The word "hope" appears over 120 times in scripture in the Old Testament. The Hebrew word is *tiqvah* (tik-vaw) literally a cord or a rope. This is what hope is, a rope to hang on to. If that rope is to save a drowning person it must be anchored to a sure footing. The hope we offer parents is anchored to the firm foundation of Jesus Christ. He is able to save your daughter, He is able to rescue the prodigal child. It is more than just a quaint saying—**JESUS DOES SAVE!**

PRAYER

Pray that the Holy Spirit would open all the girls up to His perfect plan for their lives

Pray for Safety as we work on our farm everyday. We do chores and are around livestock. (I tease the girls that they could hurt themselves stuffing pillows!)

We have a new student arriving next week. Please pray for the family & the girls at this critical time

Pray for the staff, wisdom, patience, and physical strength

Pray For Us By Name
