

## Rally at Wellington KS

We were hosted last Sunday by Wellington Kansas Assembly of God Under the direction of Pastor Marvin Miller. We arrived Saturday Night and camped out in the fellowship hall Sunday morning Sister Miller served us Muffins, fruit and drinks And Sunday afternoon we had a spaghetti feast . A Big T.F.L.O.G to Wellington Assembly of God!

To the left the girls are performing an original song written by Lacelynn and Kenzi. The name of the song is "I Am He" and it blessed the congregation. One person commented that I should be on the radio.

Left is a picture of the girls signing the word "hero" Whenever you donate or invite our girls to perform at you church, you are our hero

This week Marvin and Pam Arnold donated and delivered 250 pounds of beef to us. We are carnivores here at VHTC. We have trouble doing the vegetarian thing. This is not the first time the Arnolds have filled our freezer with yumminess. A big T.F.L.O.G. go to Marvin and Pam Thanks For Loving Our Girls!

## stuff we need

February Need of the Month- Canned Potatoes

**Building Supplies Needed** We needed about \$3000.00 in building supplies to do some construction at the center and staff house. We have received \$2500.00 towards this need. Thanks you for those who are donating.

We need pastors to open their church's for us to come and visit. Pray for us to find favor in their eyes. **Ask your pastor about hosting us**

## PRAYER

Pray that the Holy Spirit would open all the girls up to His perfect plan for their lives

Pray for Safety as we work on our farm everyday. We do chores and are around livestock. (I tease the girls that they could hurt themselves stuffing pillows!)

We have 1 bed empty, pray that God will connect the dots so the family will find us

Pray for the staff, wisdom, patience, and physical strength
